

Price Gun Repairs

Many price guns are worth repairing. So before trashing, consider refurbishing, recycling and repairing your broken or damaged price gun.

The following brands are currently serviced and repaired by KencoStore.com

- ❖ Monarch
- ❖ Avery Dennison
- ❖ XL Pro
- ❖ Towa
- ❖ Garvey
- ❖ Kenco
- ❖ Contact

The procedure for repairs is simple:

1. Verify your purchase date - there is a chance your price gun is still under warranty.
2. Include your company information and contact information as well as return shipping address (not a P.O. Box) with your broken price gun.
3. Send it to

Attn: Repairs
C/O Kenco Label & Tag Co., LLC
6543 N Sidney Pl
Milwaukee, WI 5320

What happens when your repair comes in:

1. We evaluate the condition of your pricer
2. We estimate the cost of repair or replacement
3. We call you to explain your options and collect payment information (if necessary)
4. We repair or replace your price gun.
5. We ship it back to you.

If you have any questions, or wish to know more about a particular brand or repair, feel free to call us at 1-800-537-3336.
